

Services

Acclaro Consulting aims to fulfil its commitment - to recruit, train and develop human capital for an ethical and sustainable future - through the provision of bespoke solutions enabling our clients to meet and exceed the demands of a modern, progressive and responsible business.

Acclaro offers a top to bottom solution through board room consulting and culture change, CSR programme development, executive search and staffing and continuous training and development.

Our business is therefore divided in to 3 business units:

- Recruitment Services
- Consulting Services
- Training & Development
